Regulations.

Admission.

Any Candidate for Orders in the Protestant Episcopal Church in the United States, may, on examination, be received as a student in the Seminary; and any other person who may give sufficient evidence of a fair moral and religious character.

Examinations.

Candidates for admission, not Bachelors of Arts, must pass a satisfactory examination in the Latin language, and in Classical and Hellenistic Greek; in the general principles of Natural, Intellectual and Moral Philosophy, and Rhetoric. They will also be required to read an Original Composition.

Under proper restrictions, and under the direction of the Dean, students may avail themselves of the facilities furnished by Milnor Hall Grammar School and Kenyon College, to prepare to enter the Seminary, without a Diploma. In this case a certificate from the College Faculty, that they have successfully pursued the required studies, will be accepted in lieu of an examination. Candidates for the Ministry who take this course must exhibit the permission of their Bishop.

Candidates for admission to an advanced standing, must pass an examination in all the studies which the class they desire to enter, has pursued.

A Public Examination of each class is held previously to the Annual Commencement; and Certificates are awarded to those who on the final examination are found to have successfully pursued the full course of study.

Matriculation.

Every Student on being admitted to full standing must subscribe the following declaration in the Matriculation Book of the Seminary:

"We, the subscribers, Students in the Theological Seminary of the Protestant Episcopal Church in the Diocese of Ohio, do solemnly promise, with reliance on Divine Grace, that we will faithfully obey

the laws and prosecute the studies thereof, endeavor to promote the reputation and interests of the Seminary, and make daily effort by pious reading, self-examination and secret prayer, to cultivate all religious and moral dispositions and habits, and grow in those graces which should characterize the Christian and the Minister of the Cross."

The day of matriculation is determined each year by the convenience of the Bishop; occurring, however, always in the month of December.

Seminary Year.

The Seminary Year extends from the first Thursday in October to the last Thursday in June.

It is divided into three Terms, as follows:

FALL TERM.—From 1st Thursday in October, until Christmas Day.

CHRISTMAS TERM.—From New Year's Day, until Passion Week.

EASTER TERM.—From Easter Monday, until Commencement.

During the Christmas recess, Students have leave of absence.

During Passion Week recess, only recitations are suspended.

Every Student is expected to be present on the first day of the Fall Term.

The Students of the Grammar School occupy Milnor Hall. This building, in which all School Exercises are conducted, is large and commodious, the Students' Rooms are airy and comfortable, and the grounds sufficiently extensive for purposes of recreation. A Boarding-house is attached, at which Students, desiring to do so, take their meals.

Students belonging to this Department are permitted to attend Lectures and Recitations with the College classes in such branches of study as they may desire and be qualified to pursue. It will be the aim of the Instructors to impart to students a sound, thorough, accurate and extensive business education.

Those wishing to study the French or German language, will have the opportunity, by paying extra tuition.

Weekly Rhetorical Exercises are held, in which all students of the Grammar School are required to participate.

WORTHINGTON GRAMMAR SCHOOL.

Object.

The object of this Institution is to thoroughly prepare boys for entering the Freshman Class of Kenyon College; and also to offer to young men, not intending to enter College, facilities for attaining a thorough, practical, business education.

Time, Departments, etc.

The Scholastic Year is divided into two Terms of five months each. The Fall Term begins on the second Wednesday in September, 1862. The Spring Term begins on the first Wednesday in March, 1863.

The School is divided into three Departments—General Preparatory; Collegiate; and Business and Scientific Department.

Terms.

Boys of all ages will be received into the family of the Principal at \$150 per annum. This includes tuition and board. Each pupil furnishes his own books, stationery, towels, and table napkins.

Board can be procured in private families at reasonable rates.

Tuition alone in the Primary Class, \$8 per session; Secondary Class, \$10; and in all others, \$14 per session.

Extra Charges per 11 Weeks.

Music on Piano or Melodeon, \$10	Painting in Water Colors,	\$5
Use of Instrument, 2	" in Oil,	10
French and German, each, 5	" Pastil,	10

All bills payable half session in advance.

General Regulations.

1. All pupils are required to be present at all Literary and Religious Exercises—to attend all services of the Episcopal Church on Sundays, unless parents otherwise request.
2. Before passing to an advanced class in school, pupils must stand a satisfactory examination in the studies, or equivalent studies, of the preceding class.
3. Pupils will be held responsible for all damages to furniture or buildings, and fifty cents must be deposited to cover such damages; the balance, if any, will be returned.
4. The use of tobacco is prohibited, nor shall any one associate with profane or immoral persons, or frequent any tavern, store or shop.
5. No one is to leave Worthington or be absent from school without consent of the Principal.

Location.

The Institution is situated in the village of Worthington, eight miles north of Columbus, Ohio, and is connected with the Capital by a plank road. It lies on the Whetstone River, and, in elevation, is about 150 ft. above Columbus. The Cleveland, Columbus and Cincinnati R. R. passes in its immediate vicinity. The place is remarkably healthy, beautifully situated, and admirably adapted to a school.

History.

In the year 1803 certain lands were set apart by the early settlers for a school at this place; and in 1819 this school was incorporated under the name of "Worthington College." Since the removal of "The Theological Seminary of the Diocese of Ohio and Kenyon College" to Gambier, its present site, Worthington College has been comparatively dead.

At the Convention of the Protestant Episcopal Church of this Diocese in 1859, a proposition of the Trustees of Kenyon College was laid before the Convention, proposing to make this Institution auxiliary to Kenyon College. This proposition resulted in the appointment of an Executive Committee, who elected Rev. P. S. RUTH, A.M., as Principal.

There is a parish of the Episcopal Church here in active operation.

For circulars or special information, address Rev. P. S. RUTH, A.M., Worthington, Franklin county, Ohio.

Laws and Regulations of Kenyon College.

Divisions of the Collegiate Year.

The Collegiate Year is divided into Three Terms and three vacations.

The First Term begins ten weeks after Commencement and continues Fifteen Weeks.

The Second Term begins two weeks after the close of the First, and continues Twelve Weeks.

The Third Term begins two weeks after the close of the Second, and continues Eleven Weeks.

[For particular dates, see Calendar, page 22.]

Examinations and Public Exercises.

There is a regular examination of all the Classes at the close of each Term. That which takes place at the close of the Spring Term is called the Annual Examination, and is followed by the Commencement; the others are called Term Examinations. To attend and report on these Examinations a Standing Committee of twelve is annually appointed by the Diocesan Convention. The Bishop usually attends the one immediately preceding Commencement.

Students, who by sickness, or any other unavoidable necessity, are prevented from appearing at the regular examinations, may be examined *separately*; but no student, under any circumstances, is deemed to have made good his standing, or kept his term, till he has passed a proper examination.

Attendance.

No Student is allowed to be absent in Term time, without special leave from the President. The absence of a Student in Term Time, even for a few days, occasions a much greater injury to his progress in study than parents and guardians commonly suppose, and they are earnestly requested not to give their consent to any absence except for very urgent reasons. In all the departments of the Institution Students are required to be present *at the beginning of the Term.*

Every Student is required to attend punctually upon all the literary and religious exercises. In case of absence, he should inform the officer to whom he is responsible, of the cause of his absence, previous to the time of the exercises. Should this be impossible, he is required to present his excuse immediately after the absence has occurred.

Religious Worship.

Students are required to be present at Church twice on Sunday, and on such other days as the Faculty may direct, and at Daily Morning and Evening Prayers in the College Chapel.

Conduct.

The conduct of undergraduates is marked and reported as follows:

Absence from Church, or leaving Church without excuse, will incur *two marks* of demerit: Tardy at Church, and absence from Daily Prayers, will incur *one mark* of demerit; and Misconduct in Church from *one to five marks of demerit*, to be reported under the head of "Absences from Prayers."

Absence from Recitation, or failure to prepare a lesson, without excuse, will incur *one mark* of demerit, and misconduct during Recitation, from *one to five marks* of demerit, to be reported under the head of "Study Demerits."

All these Marks of Demerit will be reported under the various heads, by the Patron, to the Parent or Guardian, at the close of each term.

Marks of Scholarship.

Every student at each recitation is marked, *unless excused*, from 0 to 10, the first symbol indicating a *total failure*, and the last a *perfect recitation*. When any one absents himself from a recitation, unexcused, he is marked 0; if excused, he receives his average grade.

The average grade of each Student will be reported by the Patron to the Parent or Guardian at the close of every term.

Matriculation.

No Student, even after his admission to College, is allowed to *matriculate*, until he shall have sustained a satisfactory probation of, *at least*, one term, and established a personal claim to the confidence of the Faculty. Matriculation alone gives accredited membership in the Institution, and renders the student upon whom it is conferred a proper candidate for degrees and honors. Should any student, after matriculation, abuse the confidence on which that act proceeds, he

may be reduced again to the condition of a Probationer, and then further disciplined, as the occasion may require.

Patronage.

Each student, within six weeks after his admission into College, is required to choose some one of the Faculty to act as his *College Patron*. To his Patron, he is at liberty, and is expected, to apply, as to a friend, whenever his inclination, or circumstances, may lead him to seek advice or information on any subject connected with his academic standing and pursuits, or with his personal welfare.

The Patron, on his part, is expected to take an active concern in behalf of the client thus committed to his care:—exercising a parental guardianship over him, and giving him advice and caution as he may see occasion. In doing this, he will consult the wishes of the Parents, as well as the interests of the Institution, and will take care to be advised of both, as may seem necessary for his client's welfare, so long as he remains connected with the Institution. The Patron will also, at the end of each term, forward to the Parent or Guardian of each student under his charge, an account of the Student's deportment during the session, as well as his grades in each study pursued. Parents or Guardians not receiving letters at the expiration of each term are requested to communicate, at once, with the Faculty.

Students' Rooms.

The Rooms are sufficiently large and convenient to accommodate two students each, and no student will be allowed to room alone except by special permission, and by incurring an additional expense for rent and fuel. Each room is provided with a stove; the occupants are held responsible for all damage to the room during their occupancy.

Every student must deposit \$1 with the College Treasurer at the beginning of each term, to cover incidental damages to the College buildings; the balance, if any, to be refunded at the end of the year.

College Bills.

Tuition, \$32 per annum; Room rent, \$12; Incidentals, \$6; to be paid in advance,—one-third at the beginning of each term.

Tuition in Grammar School, \$26; Room rent, \$12; Incidentals, \$6.

When the student obtains full standing in his College Class, no deduction will be made for absence.

Annual Expenses.

College Bill,	-	-	-	-	-	-	-	\$50 to \$50
Boarding,	-	-	-	-	-	-	-	40 to 100
Fuel, -	-	-	-	-	-	-	-	6 to 7
Washing,	-	-	-	-	-	-	-	10 to 10
Lights,	-	-	-	-	-	-	-	4 to 8
Total,	-	-	-	-	-	-	-	<u>\$110 to \$175</u>

The above estimate for the annual expenses of each student is exclusive of expenses in vacations, also of the cost of text books, ordinary incidentals and furniture. Students board themselves for \$1 per week, and boarding is furnished, in private families, at rates varying from \$2 to \$2.50 per week. Furniture and bedding can be obtained here, but when convenient, it will be well for students to bring bedding, towels, &c., from home.

Parents or Guardians may, if they desire, make their remittances through the College Patron, or in some way subject to his control; and may advise with him as to any allowance of money they may wish to furnish, over and above the estimates here given. A profuse allowance of money almost invariably works injury to the character and scholarship of the student; and *the privilege of purchasing articles on credit is especially dangerous.*

Libraries and Literary Societies.

Libraries.

The Libraries to which Students may have access, are as follows, viz:—

1. The Library of the Seminary and College, containing 6,650 vols.
2. That of the Philomathesian Society, containing 4,297 vols.
3. That of the Nu Pi Kappa Society, containing 3,745 vols.

Literary Societies.

COLLEGE SOCIETIES.—There are two Literary Societies: The Philomathesian and the Nu Pi Kappa. Their commodious Halls occupy the second and third stories of the central portion of Ascension Hall. These large and beautiful Halls add much to the efficiency and prosperity of the Societies, as well as to the comfort of the members.

GRAMMAR SCHOOL SOCIETIES.—Connected with the Grammar School are the Phi Delta and the Athenian Societies, in successful operation. The members of these Societies have access to the Libraries of the College Societies.
